Security Notices

- At Security Gate, say code word “Code Quest.” (Please inform bus drivers, parent drop off/pick up, coaches/students driving to competition).
- Photo IDs are required for all coaches and students.
 - Coaches, non-U.S. students, and Permanent Residents are required to bring valid government-issued photo I.D. and original documentation (green card, passport, visa, resident card).
 - All students should bring a valid form of I.D. (school I.D. is acceptable).
- All phones must be left in your cars during the Code Quest event. Under no circumstances are any phones or recording devices allowed inside Lockheed Martin facilities. This applies to coaches and students.
- In case of emergency, family can call/text Michelle Begonia (321-230-5695) or Abbie Mitchell (407-446-9871) on the day of the competition.

LOCKHEED MARTIN
Training and Logistics Solutions
100 Global Innovation Circle
Orlando, FL 32825-5003
(407) 306-1000

- Drive onto Lockheed Martin Facility at Rouse Rd & Lake Underhill
- Enter the “Vehicle Plaza” at any of the open lanes.
- Stop & Check in with Security Guard who will grant you access to the facility.
- Parking - Follow road on the LEFT for Parking Lot #1.

More Rules

- No spectators will be permitted access to the competition. Only registered students and coaches may attend the event.
- Breakfast, lunch, and drinks will be provided. Dietary and allergic restrictions cannot be accommodated. You may bring your own breakfast, lunch, and water bottle as needed.
- Each team (not person) can bring only one laptop
 - A limited number of loaner laptops are available. If your team needs a laptop, please contact Michelle Begonia (codequest-orlando.gr-ebs@lmco.com).
 - **For security reasons, laptops and other devices manufactured by Lenovo are not permitted at this facility. Please do not bring any Lenovo devices with you.**
- All teams must RETURN problem packet to designated box prior to exiting the facility.
- Coaches and students should not post Code Quest competition questions and/or answers online. Questions will be made available on Code Quest Academy after the competition.

Code Quest Internship Program

- Link: <https://lmt.co/4cigpeP>
- High School students, 16 years or older
- US Citizens
- App deadline is March 5
- To strengthen student applications:
 - Include a resume and cover letter.
 - Tailor resumes to the job posting, focusing on applicable qualifications and keywords.
 - Proofread all materials before submitting.
 - Highlight relevant skills, experiences, and projects.
 - Apply only to the posting for the region where the student resides.

Lockheed Interview Workshop

📍 Action 4 (Optional): Join the Resume & Interview Workshop.

This workshop, hosted by the Lockheed Martin Talent Acquisition team, will provide tips and techniques to strengthen your internship application.

This meeting will not provide any Code Quest-specific information.

Resume Workshop on Saturday, February 21 10:00 a.m. U.S. Eastern Time

🔗 Microsoft Teams: Join the meeting now

- Meeting ID: 992 581 446 184
- Passcode: ZC9Zd2wQ

To dial in by phone (Phone conference ID: 109 377 47#)

- +1 303-824-6161,,10937747# United States, Denver
- +1 408-752-8700,,10937747# United States, Sunnyvale

Undergraduate Catalog

- University Education in constant flux
 - New technologies replace older technologies
 - Engineering and Computer Science especially
- Graduation requirements outlined in Undergrad Catalog
 - Published every year / subject to change
 - You get locked into catalog for your enrollment year
 - You can change to newer catalog, but never backwards
- Buy physical or download PDF of your Undergraduate Catalog
 - Know the requirements of your major
 - Talk to your department
 - Be a little wary of general academic advisors
